# Tree Candy

**(Cookies n Cream x Dragon Fruit) x Lemon Tree**

**THC: 22-30%**

**40% Sativa/60% Indica**

**Flowering Time: 7-8 Weeks    Yield: Medium-High**

Tree Candy exudes a lovely tropical fruit melody along with candied lemon peels and a squeeze of fresh lemon juice which is accompanied by a very subtle, savory brown butter flavor. The flavor and aroma are extraordinary. Beautiful colors accompany dense nug formation. The taste alone will bring a smile to your face and brighten your day.

Definitely strong enough to do the job, yet not overpowering. Tree Candy's growth pattern is a joy to work with mid height with lots of main branches. Responds well to topping and pruning .
